

INTELLIGENCE ADVISORY COMMITTEE

8 August 1958

MEMORANDUM FOR : Mr. William A. Smith
Office of Special Operations
The Pentagon

SUBJECT : Background Data on IAC Subcommittees

1. In our recent telephone conversation, you expressed an interest in receiving terms of reference or other background data on IAC subcommittees, particularly in view of the impending IAC-USCIB merger. It seemed to us that the attached "Handbook of the Standing Subcommittees of the IAC" which was prepared in this office a little more than a year ago might be the most useful general document. However, certain subcommittees have been dissolved or established since that time. Consequently, we noted some of these changes in the Handbook, although we did not attempt to enter all recent changes in committee membership. We are also forwarding terms of reference for the newer committees which have generally been incorporated in DCIDs.

2. If you have any further questions about specific committees please let us know and we will do our best to supply the information
